Comments & Suggestions

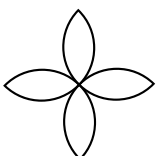

In both these pieces you truly captured the nature of each work. You are singing at an extremely professional level and should be proud of your achievements so far. Your breath control, annunciation is first rate and your projection is at an excellent level which sails far over the pianistic accompaniment. We really enjoyed listening to both of your performances and we wish you all the best for the future.

Keep practising to improve and expand upon your current repertoire and you have a bright future ahead of you.

Thank you for your submission. Your musical talent is truly impressive and worth celebrating. Keep up the excellent work and we look forward to enjoying more of your wonderful music in the seasons to come!
